

The ProFiller

High Performance
Bottling Wand!

Open flow design makes the **ProFiller** the **fastest** 3/8" bottling wand!

- Easy connection!

- Easy to top up, when desired.

- Convenient clip for pausing or stopping.

- Unique filler tip allows reliable hands-off filling for all bottle types!
- Flow can be slowed at the end of filling by lifting the wand slightly.

 **Fermtech** Ltd.

Quality equipment for
home brewers and wine makers.
